Fireweed Community Membership

THE MEMBERSHIP

The Fireweed Community Membership rewards clients for prioritizing preventative care and committing to building a safe and inclusive community at the clinic.

Once you become a member, you have the opportunity to apply for our Green Membership (low-cost) or join our Purple Membership (supporters).

HOW TO JOIN

To become a member, you must:

- Attend a $28 onboarding appointment
- Commit to annual wellness appointments for all your pets on file
- Make us your primary vet and transfer all previous records of care
- Commit to upholding our clinic's values and membership expectations

BENEFITS

Members receive benefits that will help them prioritize preventative care for their pet(s) and save costs down the line. This includes access to our pre-payment plans and discounts on preventative care.

Further discounts on vet services are available for military (5%), registered service animals (5%), and Indigenous Peoples (10%).

5% off vet services

10% off vaccines

12% off dental cleanings

Membership Types

Once you become a Fireweed Community Member, you'll have the opportunity to apply for our low-cost **Green Membership** or help make our Green Membership possible by signing up for our **Purple Membership**.

Green Membership

Green Membership is for pet families who need financial support to best provide vet care for their pets. We offer lower-priced services to our Green members with prioritization on preventative care.

The number of Green Memberships available is limited and depends on demand. Please ask a team member for more information.

Purple Membership

Purple Membership is for pet families who want to contribute to our accessible care model. The Purple Membership fee (minimum of $250/year) is a way to directly financially support our Green Membership and give back to our community.

Please ask a team member for more information.
